'09 Mercury GRAND MARQUIS

Flexibility is Power.

With 224 hp and 275 lb.-ft. of torque to lead the way, the 4.6L SOHC V-8 in Grand Marquis is a powerful ally. As is an EPA-estimated 23 mpg¹ on the highway. A Flexible Fuel configuration makes it even more noteworthy by giving you a choice: E85 or gasoline. The 2009 Grand Marquis can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any combination of the 2 – just fill up with your fuel of choice. As you drive, an advanced Powertrain Control Module determines the ethanol/gas mixture and automatically adjusts for optimum performance. Electronic Throttle Control manages all that muscle for smooth shifts from the 4-speed electronic automatic transmission with overdrive.

Sure handling results from an independent front suspension, Watts linkage rear suspension, gas-charged shocks and speed-sensitive, variable-assist power rack-and-pinion steering. A rear air suspension makes the already smooth ride of Grand Marquis even more comfortable. For added stability, the 4-wheel disc Anti-lock Brake System helps you maintain control during hard braking, while All-Speed Traction Control improves grip on loose or slippery surfaces.

¹Based on 2008 EPA-estimated fuel economy.

'09 Mercury GRAND MARQUIS

Style and Comfort.

Whether the evening is a casual get-together with friends or a formal engagement at the theater, Grand Marquis helps you arrive feeling relaxed and refreshed. While Electronic Automatic Temperature Control effortlessly maintains the chosen cabin temperature, a leather-wrapped, tilt steering wheel fits comfortably in the driver's hands. Individual driver and right-front-passenger armrests provide more flexibility than a single armrest. And a message center with trip computer displays outside temperature, elapsed drive time, average fuel economy and other vehicle functions. To accommodate various tastes in music, as well as formats, Grand Marquis offers a choice of audio systems. The standard AM/FM stereo features a single-CD player, while an optional Dual-Media audio system plays both CDs and cassettes.

'09 Mercury GRAND MARQUIS

Still Sized Just Right.

Mercury Grand Marquis for 2009 values the items you hold dear. Like 6-passenger seating in the most spacious interior in its class,¹ where family and friends can travel together – in one car – and in complete comfort. Or thoughtful design and functional features that are still standard equipment: a 6-way power driver seat with power lumbar and recline; a leather-wrapped steering wheel; a 6-way power front-passenger seat with power lumbar; leather-trimmed seating (heated front seats are optional); illuminated visor vanity mirrors for both driver and front passenger; cruise control; tilt steering column; carpeted floor mats; and elegant Renaissance Burl woodgrain accents all around. Those seated comfortably in the rear will enjoy their own amenities. A fold-down rear-seat center armrest features 2 cupholders, while reading lights help the hours pass by on longer trips. And with 20.6 cu. ft. of cargo space in its cavernous trunk, Grand Marquis can hold everything you need to bring along for the ride.

¹6-passenger Large Car class.

'09 Mercury GRAND MARQUIS

Cradled in Comfort.

With the available Dual-Media Audio System playing your favorite CD or cassette, your comfortable journey begins in the leather-trimmed, 6-way power driver seat of Mercury Grand Marquis. With power recline and a power lumbar feature for additional back support, it's easy to find your perfect position. For the ultimate in cold-weather comfort, optional heated front seats chase away any chill.

Additional assistance for the driver comes from a leather-wrapped, tilt steering wheel with steering wheel-mounted cruise control, as well as optional power-adjustable brake and accelerator pedals that can move up to 2" forward and back.

In a vehicle with such a spacious interior, it's only appropriate that it should have an equally expansive trunk. How about 20.6 cu. ft.? That's enough to fit 6 golf bags.

For even more utility, get the available interior cargo organizer¹ (shown at right). It fits deep inside the trunk and features top panels that provide a flat floor when the unit is closed. Removable, adjustable dividers create handy storage compartments that help keep items in place.

¹Available through your Mercury Dealer as a Genuine Mercury Accessory.

'09 Mercury GRAND MARQUIS

A Heritage of Safety.

For 13 consecutive years (1996–2008), Mercury Grand Marquis received the government's highest 5-Star frontal crash test rating.¹ But the good news doesn't end there. With front-seat side airbags (shown left), Grand Marquis received a 5-Star crash test rating in all 5 categories – driver frontal impact, front-passenger frontal impact, front-seat side impact, rear-seat side impact and rollover resistance – an achievement it garnered 5 years in a row (2004–2008).

Side-intrusion door beams add structural stability, absorb energy, and help reduce cabin intrusion in certain side impacts. Power, heated sideview mirrors melt ice and snow buildup and help keep your view clear.

¹Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov).

Ford Motor Company Insurance Services Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Extended Service Plan For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Peace of mind comes from a 3-year/36,000-mile bumper-to-bumper **New Vehicle Limited Warranty** that covers repair, replacement or adjustment of parts at no additional cost, as well as a 5-year/60,000-mile powertrain limited warranty which features no deductible and is fully transferable. Roadside Assistance for 5 years or 60,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details.

Custom Accessories Genuine Mercury Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 36-month/36,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Mercury Licensed Accessories (MLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the MLA product limited warranty offered by the accessory manufacturer.
