## Combo

easy purchase options	ownership benefits
<b>Insurance</b> Holden Insurance offers a range of competitively priced insurance products, providing tailor-made protection, at the level of cover you need. For more information, call the Holden Insurance hotline on 1300 784 026. <sup>1</sup>	<b>Holden Service</b> With one of the largest Service Networks in the country, Holden Dealers can supply an enviable level of customer care. Only Holden Dealership technicians have access to regular Holden factory training and equipment.
<b>Holden Leasing</b> Businesses of all sizes are now accessing vehicle leasing options with Holden Leasing. We operate nationally through the Holden Dealer Network and our dedicated service and support team. Our people are responsive professionals who understand your business and what it means to deliver total fleet management solutions. To find out how Holden Leasing can help you, call us on 1800 022 077.	<b>Holden New Vehicle Warranty</b> Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years <sup>2</sup> or 100,000 kilometres, whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. Refer to your Owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.
<b>GM Holden Card</b> The GM Holden Card can assist you to get into a new Holden sooner. 10% of your credit card purchases go towards a Rebate of up to \$3,000 on your new Holden <sup>3</sup> (depending on model). That's up to \$1 <sup>4</sup> saving on your new Holden for every \$10 spent. There are a range of extra features including up to 45 days interest free <sup>5</sup> on credit card purchases and a competitive interest rate. Apply <sup>6</sup> online at <a href="http://www.holden.com.au/mastercard">www.holden.com.au/mastercard</a> , or call the GM Holden Card 24hr helpline on 131 200.	<b>Holden PLUS Extended Factory Warranty</b> Holden also offers Holden PLUS Extended Factory Warranty. Holden PLUS is a complete extension of your New Vehicle Warranty, giving you peace of mind because your car is factory backed for up to 3 additional years. The very same items covered under the New Vehicle Warranty will continue to be covered under Holden PLUS, without exclusion. The Holden PLUS Extended Factory Warranty can be purchased through your local Holden Dealer at the same time as your Holden vehicle purchase. See your Holden Dealer or call 1300 308 062 for full terms and conditions.
	<b>24 Hour Roadside Assistance</b> Provided for the first year of your new Holden's life <sup>8</sup> , Holden Roadside Assistance is one of Australia's most comprehensive assistance packages with over 3,000 Roadside Assistance patrols nationwide <sup>9</sup> . There to help with even the smallest service, the toll-free Roadside Assistance hotline is always open, 1800 817 100.  For more information contact Holden Customer Assistance on 1800 033 349 Monday to Friday 8am to 7pm or Saturday 9am to 1pm EST or visit <a href="http://www.holden.com.au">www.holden.com.au</a>

<sup>1</sup> Subject to approval. <sup>2</sup> The maximum GM Holden Card 'Core Rebate' (plus additional 'Bonus Rebate' accumulated via the Partner Program) applicable for each vehicle, accrued over a maximum of five years may be applied per eligible vehicle purchased. For the maximum Rebate applicable for each vehicle refer to the 'Maximum Rebate Levels' table at [www.westpac.com.au/holden](http://www.westpac.com.au/holden). Vehicle sales for which a fleet allowance is paid are not eligible for GM Holden Card Rebate. Earning and redemption of Rebate towards a new Holden is subject to the GM Holden Card Rebate Program Rules. <sup>3</sup> The interest-free period applies where the card account is fully paid by the due date each month. <sup>4</sup> GM Holden Card is approved by Westpac. Applications are subject to Westpac's normal lending criteria. <sup>5</sup> From date of first registration. <sup>6</sup> In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Customer Care brochure in your glovebox for full terms and conditions of this service.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. ## You'll get a lot out of the Combo

Holden Combo is the purpose built small van for today's business owner. It combines the reliability and toughness of a work van with the comfort and driveability of a sedan. Combo has the convenience of a large, kerb-side sliding door to complement the rear, full height, barn-type doors.

With its wide opening ensuring effortless access, this side door allows you to load irregular, bulky or difficult to load items with ease. It also means you can load from the safety of the footpath, not the roadway. Combo's side walls are vertical, maintaining a generous load area throughout. And the rear doors can open to 180 degrees, allowing you to back up to a loading ramp. Combo gives you the practicality of a small sedan, and costs much less than a big one tonne van. Running costs are kept to a minimum with extended service intervals of 15,000km or 12 months. For these, and a host of other reasons, Combo meets the needs of fleet operators and small business owners alike.

features

powertrain	Headlamp guards	A	Lambswool seat insert	A

\* Maximum figures as per ECE regulations  
\* Fuel consumption figures based on ADR81/01 tests. These figures are provided to assist you in comparing the fuel consumption of Combo with other vehicles.  
The actual fuel consumption will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use  
^Payload includes the mass of the vehicle occupants and roof load. Does not include options

**Combo is safety**  
Holden Combo has driver and passenger side impact airbags, seatbelt pre-tensioners and force limiters, all of which help to reduce the risk of injury in a severe frontal and side collision. The Combo also comes with Anti-lock Braking System (ABS) and Electronic Brakeforce Distribution (EBD) to help decrease stopping distance and maintain control on the road. A pedal release system, energy absorbing crumple zones in the front and rear, and anti-submarining seats further protect the driver.

**Combo is confidence**  
The heavy-duty rear suspension provides superior control for all loads, in all types of driving conditions. The chassis features a Dynamic Safety Action system that optimises Combo's handling and braking capability. Four wheel disc brakes are standard. And, for added peace of mind, an engine immobiliser is fitted.

**Combo is comfort**  
Combo's speed sensitive power steering and steering wheel tilt provides passenger car levels of comfort. Courtesy of a large windscreen and large door mirrors, your driver's seat offers superior views both of the road ahead and whatever lies behind you. Head and shoulder room is generous throughout, while for your further comfort Combo also comes standard with power-windows and with the option of air conditioning.

**Combo is practical**  
Big on practicality, the Combo is capable of carrying seriously large payloads, yet manoeuvrable enough to make light work of the most challenging delivery points. Featuring a 1.78m cargo tray length complete with non-slip rubber load mat, it offers you an enormous cargo area capacity of 2,390 litres, and a 735 kg maximum payload. All complemented with full size doors to enable easy driver entry and exit, and simpler loading and unloading.

**Combo is the business**  
Combo's teardrop design means better aerodynamics; which, in turn, means better efficiency. The large, unpainted bumpers are designed to cope with minor parking knocks, with side mouldings adding a further level of protection. The large exterior panels provide ample space to display your logo or company name.

1

Passenger car levels of comfort. Speed sensitive power steering, power windows and a CD player as standard

2

Impressive 1.4 litre, DOHC, 66kW, 125Nm engine\*

3

Combo comes with a non-slip rubber mat and sturdy partition behind the seats to protect passengers from moving cargo

4

Combo's 35 litre overhead storage bin, ideal for flat items

5

Behind the seats, Combo has a convenient 50 litre storage bin

6

Combo has 6 load restraint anchorage points in the cargo bay

7

An interior light in the cargo bay makes life easy

8

Combo provides full size driver, passenger and side impact airbags as standard

\* Maximum figures as per ECE regulations
