

Epica CDXi

Epica CDXi ticks every box.

The new Holden Epica. It is a vehicle completely in tune with the times. One that puts a tick in every box worth ticking. That understands what really matters, and delivers it with style and sophistication. Take the next step and experience a leap forward in style and features, with your choice of CDTi turbo diesel or silky smooth petrol six. Complete with dynamic Sports Body Kit, six-speed auto transmission with Active Select, rear park assist, climate control air conditioning and premium six-disc in-dash audio system, the superb Epica CDXi looks, feels and drives like a vehicle many times more expensive.
