ALZA

Versatile As You

Sleek, Stylish and Dynamic.

Perodua Alza is an MPV that looks and moves like a car because of its ideal body size.

Projector Headlamps

Provide a stronger beam to light up focused areas with a high accuracy of light dispersion and less glare.

Front Bumper with Fog Lamps*

Its design gives a wide and stable look, while the fog lamps increase visibility.

Electric Side Mirrors with Side Turn Signals

Easy-to-reach controls make it easy to adjust the side mirrors while the LED guide light signals increase visibility.

Rear Spoiler*

Attractively designed for a sportier look.

Rear Combination Lamp

LED-type lights designed for optimum visibility and safety.

15" Alloy Rims

The prominent 8-spoke rims complement the overall exterior look.

Centre-mounted Meter Panel

Eye-catching centre meter panel portrays a trendy look.

Captivating, Neat and Refined.

The Perodua Alza's two-tone instrument panel with seamless airbag* adds a premium look to the interior.

Multi-info Display

Located on the meter panel for easy viewing. Provides information such as average fuel consumption and maximum travelling range.

Note: Values shown are for illustration purposes only.

Gear Shift Lever on Instrument Panel**

Positioned at the centre of the instrument panel for easy control.

Steering Wheel with Audio Switches*

Leather-wrapped steering wheel that comes with audio switches for easy control.

Audio System with CD Player, MP3/WMA, USB* and Bluetooth*

Equipped with flush-type audio capable of playing multiple functions from the latest audio technology for all your entertainment needs.

*Available for 1.5L Premium variant only.

**Available for 1.5L AT variant only.

Front Semi-flat Mode

Full-flat Mode

Static Condition

The collapsible seats allow you to optimise the interior space when you are not driving.

2-Passenger Mode (i)

2-Passenger Mode (ii)

Always Versatile, Always Ready.

Whether you're out on a date or out with the family, the Perodua Alza is the ideal ride for your ever-changing needs.

3-Passenger Mode

5-Passenger Mode

7-Passenger Mode

Driving Condition

With different modes for different occasions, you'll enjoy a perfect combination of form and function.

Comfortable and Convenient.

The Perodua Alza is designed to make every journey a pleasant one.

Sliding 2nd Row Seats

Allow the second row passengers to adjust their seats to suit their most comfortable seating position.

Wide Rear Door Opening

Longer and wider opening enables easy entry and exit. The 3-step rear door opening minimises the possibility of knocking into the car next to you.

Optimum Seating Height

The optimum seating height makes it easy to step in and out of the car.

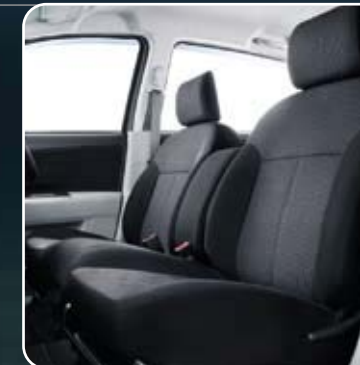

Minimum Turning Radius

The ideal body size and minimum turning radius for easy city driving and parking.

UV Protected Glass

Provides about 91% lower UV transmittance than normal green glass. Protects passengers' skin from harmful UV rays.

Bench-type Front Seat with Foldable Armrest**

Sofa-like comfort. Easy to access (left to right, right to left). Foldable centre armrest provides extra comfort.

Safety message:
The 1st row armrest area is NOT designed for seating.

Seat Height Adjuster*

Driver's seat can be adjusted up to 45mm for a clearer view.

12V Power Socket

Suitable for handphone chargers, portable vacuum cleaners, etc.

Foot Parking Brake**

Located on the far left next to the brake pedal. Easy to use. Creates a spacious driver floor area.

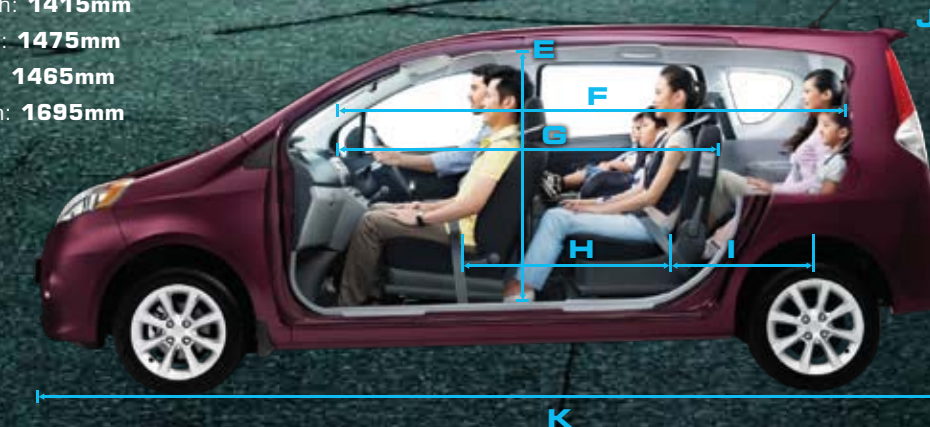

Map Lamp

Provides sufficient brightness in the first row cabin area.

- A** - Interior width: **1415mm**
- B** - Track (front): **1475mm**
- C** - Track (rear): **1465mm**
- D** - Overall width: **1695mm**

- E** - Interior height: **1310mm**
- F** - Interior length: **2540mm**
- G** - From dashboard to 2nd row: **1910mm**

Cooling and Relaxing.

The Perodua Alza is equipped with a powerful air conditioning system that can easily cool down the entire cabin within minutes.

Low roof and open seating design allow for better air circulation and improved cooling performance, even in the 3rd row.

Responsive and Responsible.

From the cityscape to the countryside, the Perodua Alza is always a pleasure to drive.

The high performance 1.5L DVVT, DOHC with EFI engine delivers excellent fuel economy, smooth pick-up and acceleration, and cleaner gas emissions with minimal vibration noise.

DVVT
Dynamic Variable Valve Timing

DOHC
Double Overhead Camshaft

EFI
Electronic Fuel Injection

Better Power to Weight Ratio

Equipped with a 1.5L engine with 76kW/6000rpm (max. output) and 136Nm/4400rpm (max. torque) in a lightweight body, the Perodua Alza is engineered to deliver better performance and lower fuel consumption.

Safe and Sound.

Nothing is spared in ensuring that your journey is always safe.

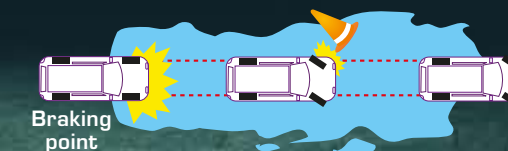

Collision-resistant Body

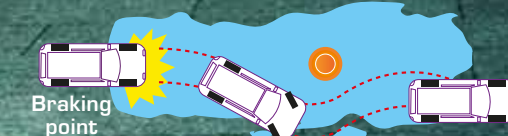

The car body has been tested repeatedly to ensure a high level of safety. Meets Japan Domestic Regulation Standards. Body structure absorbs and minimises impact from all angles to protect the vehicle's occupants.

Blue: Frontal collision Yellow: Side collision

without
ABS

with
ABS

Loaded (with EBD)

Loaded (without EBD)

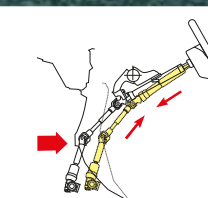

ABS (Anti-lock Braking System) with EBD (Electronic Brake Distribution) and BA (Brake Assist)*

ABS prevents tyres from locking during emergencies, while BA maximises braking power, and EBD ensures even distribution.

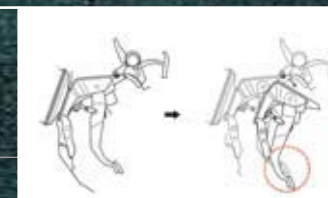

Dual SRS Airbags*

Protect the driver and front passenger from impact against the steering wheel and instrument panel during collision.

Collapsible Steering Shaft Mechanism

Specially designed to collapse during extreme frontal impact to safeguard the driver.

Brake Pedal Intrusion Reduction Mechanism

Designed to reduce injury caused by the brake pedal striking the driver's leg during a frontal collision.

Anti-theft System

Immobiliser and alarm keep intruders away.

* Available for 1.5L Premium variant only.
