3. GM Accessory Larger-Size Wheels and Tire Performance Criteria (TPC) Tire Systems are designed as a system and must be used as such. Larger-size wheel and tire systems may require a new spare tire. You may notice a change in overall performance characteristics of your vehicle when GM Larger-Size Wheels/Tires are installed.

Please see your Saturn retailer or go to gmaccessories.com for detailed information regarding larger-size wheel and tire systems.

Comfort

	XE I-4	XE V6	XR	Green Line
Air conditioning	STD	STD	STD	STD
CD/MP3 player with AM/FM stereo and six speakers This CD/MP3 player with AM/FM stereo comes with an auxiliary input jack to accommodate such things as an external MP3 player or laptop, speed-compensated volume and a digital clock. The stereo also includes six speakers and a digital signal processor to enhance sound quality.	STD	STD	N/A	STD
XM Satellite Radio⁽²⁾ XM Satellite Radio gives you access to more than 170 news, talk, sports and music channels coast-to-coast, so you'll never be without entertainment.	STD	STD	STD	STD
Console With dual bin storage, a coin well and a cell phone holder, you'll have no excuse not to be	STD	STD	STD	STD

organized. The console also includes a sliding armrest, a 12-volt power outlet and an automatic-sliding tambour door that covers two cupholders.

Cruise control

Perfect for long stretches of highway, the AURA's cruise control includes steering wheel mounted electronic controls to set and resume speed.

Cupholders

With two cupholders in the front and two more in the rear, you and your passengers can always have a drink within reach.

Defogger

The AURA's rear window defogger helps maintain good visibility.

Power door locks

The AURA has a comprehensive power door lock system. The programmable lock/unlock feature lets you choose whether the horn chirps and/or the lights flash when you press the appropriate button on your key fob. Delayed locking waits a few extra seconds after all the doors are closed before actually locking them—just in case you left something inside.

Floor mats

Carpeted floor mats are custom-fitted and color-coordinated.

Premium floor mats

Premium floor mats offer a heavier weight carpet and stitched edges. The front and trunk mats also feature the AURA name.

LED backlit instrumentation

This bold lighting complements the AURA's modern interior design. Instrumentation includes the speedometer, temperature and fuel gauges and tachometer.

Interior ambient lighting

Warm, soft lighting from overhead and the door pockets adds yet another level of refinement to the AURA's interior.

Auto-dimming mirror with compass

For better visibility, the AURA's inside rearview mirror automatically absorbs headlamp glare from the car behind you. It's also equipped with a compass for easy navigation.

Morocco brown leather-appointed front bucket and rear seats

The Morocco Brown leather features an embossed pattern.

Power-adjustable pedals

Power-adjustable accelerator and brake pedals are a perfect way to accommodate drivers of

different heights.

Power outlets

To charge your electronics on-the-go, the AURA comes with two 12-volt power outlets. One in the front floor console and one in the center-stack storage compartment.

Remote keyless entry

For easier entry, you can unlock your AURA's doors from almost 200 feet away.

Remote vehicle start

Start your engine with your vehicle key fob from almost 200 feet away. Great for quick getaways, cold mornings or if you just want to surprise your friends.

Retained accessory power

This feature provides power for your windows, heated seats, sunroof and accessories for as long as 10 minutes after you've removed the key from the ignition, or until the driver's door is opened.

Driver and front passenger bucket seats

The AURA's bolstered front seats are decidedly comfortable. Includes driver-side power height adjust and manually controlled lumbar support as well as adjustable head restraints.

60/40-split folding rear seatbacks

Seats can fold down completely or split 60/40, so you can accommodate passengers or your gear.

4-way adjustable steering column

The AURA's steering column tilts up and down and telescopes in and out for maximum comfort.

Steering wheel audio controls

For easier access while driving, the AURA has additional audio controls on the steering wheel.

	XE I-4	XE V6	XR	Green Line
<p>Automatic halogen headlamps When the AURA's headlamp system senses low natural lighting, the lights illuminate automatically. They also turn off when appropriate.</p>	STD	STD	STD	STD
<p>Child security locks This feature allows the driver to manually turn off the unlock buttons in the back seat.</p>	STD	STD	STD	STD
<p>Daytime running lamps See and be seen with daytime running lamps, which are activated every time you set in motion. They are designed to reduce the</p>	STD	STD	STD	STD

likelihood of a collision by making your car more visible on the road.

Dual-stage driver and front passenger air bags with Passenger Sensing System⁽²⁾

The AURA's air bags reduce the risk of air bag induced injury by deploying at one of two levels, based on the severity of the impact. The AURA is also equipped with a Passenger Sensing System, which automatically turns off the front passenger side air bag if the occupant is too small or out of position.

STD

STD

STD

STD

Front seat-mounted side-impact air bags⁽²⁾

Mounted in the outer bolsters of the front seats, side-impact air bags help protect the driver and front passenger's torsos during lateral impact.

STD

STD

STD

STD

Head-curtain side air bags⁽²⁾

These air bags provide protection for passengers sitting along the front and rear side windows in the event of lateral impact.

STD

STD

STD

STD

Emergency trunk release handle

A glow-in-the-dark handle allows someone to release the latch from inside the trunk in the event of an emergency.

STD

STD

STD

STD

Energy-absorbing instrument panel

In the event of a crash, the AURA's instrument panel is designed to help absorb impact energy.

STD

STD

STD

STD

Energy-absorbing steering column

In the event of a crash, the AURA's steering column is designed to help absorb impact energy.

STD

STD

STD

STD

Engine-immobilizing theft-deterrent feature

The AURA comes standard with PASS Key IIITM+, a system that uses radio frequency technology to match the proper key to your car. Without a match, the car won't start, deterring would-be thieves.

STD

STD

STD

STD

Front and rear crumple zones

Every AURA has crumple zones to help absorb the force of a front- or rear-end collision, and direct it away from the passenger compartment.

STD

STD

STD

STD

Front safety belts with pretensioners and energy-absorbing retractors

When the AURA's front safety belt system detects a collision, the pretensioners trigger to tighten the belts in the first fractions of a second, reducing safety belt slack to help keep both driver and passenger properly restrained.

STD

STD

STD

STD

Maintenance-free battery

One less thing to worry about. The AURA's battery takes care of itself.

STD

STD

STD

STD

Projector-beam foglamps

Projector-beam foglamps shine light through a

N/A

STD

N/A

precisely formed lens that helps distribute the beam more evenly for improved visibility.

Lower Anchorages and Top Tethers for Children (LATCH) in second row seating positions

Engineered to secure today's child-safety seats, as well as next-generation child-restraint equipment.

Traction Control System

When the AURA's Traction Control System detects tire slip, it responds by limiting the engine's torque until the tires regain ample traction.

Side-impact door beams

High-strength steel door beams elevate your sense of security on the road.

OnStar® Accident Assist⁽³⁾

Get step-by-step guidance about what to do in the event of an accident (First year standard with Safe & Sound Plan. Available with Directions & Connections Plan)

OnStar® Advanced Automatic Crash Notification⁽³⁾

An Advisor can call for help if the vehicle is involved in frontal-, rear-, or side-impact crashes--regardless of air bag deployment (First year standard with Safe & Sound Plan. Available with Directions & Connections Plan)

OnStar® Automatic Notification of Air Bag Deployment⁽³⁾

If your air bags deploy, we can contact you to ask if you need assistance (First year standard with Safe & Sound Plan. Available with Directions & Connections Plan)

OnStar® Emergency Services⁽³⁾

If you ever need help, OnStar is your link to emergency services (First year standard with Safe & Sound Plan. Available with Directions & Connections Plan)
