* Where law permits

**Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with this standard.

SEAT INFORMATION.

The SEAT Warranty

Three-year Warranty. All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

Three-year Paint Warranty. The paintwork of the Altea and Altea XL are covered against manufacturing defects for a period of three years. Naturally, the Altea and Altea XL must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

Twelve-year Body Protection Warranty. The internal body sections and panels of the Altea and Altea XL are covered against rusting through from the inside for a period of twelve years. Naturally, the Altea and Altea XL must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT Parts Warranty. SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT Accessories. Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians.

Specifications. Specifications for the Altea and Altea XL refer to Model Year 2011. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (11/10), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT Assistance (including European cover). Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT Finance. SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- Solutions – a personal contract plan
- Hire purchase • Lease purchase
- Finance lease • Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on

certain conditions. Available to people over 18 in the UK only.

Test-Drive a SEAT. To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

Fuel Consumption Information. The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

Vehicle Excise Duty and CO₂ Emissions. All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT Business Sales. SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this leaflet can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (**November '10**), you should always check with your authorised SEAT dealership for the latest information. The vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0870 8505303 or browse to www.cartakeback.com.

*In 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%.
