

SHELBY COBRA

In 1962 Carroll Shelby created the most sought-after American muscle car in history, the Shelby Cobra. The 289 model of this snake went on to become the first American-made FIA World Champion in 1965 and later evolved into the ultimate expression of power and performance with the 427 S/C model in 1966. The 427 S/C and 427 Street versions (CSX4000- and CSX6000-Series), the 289 FIA (CSX7000-Series) and the original "slabside" design from 1962 (CSX8000-Series), are still being produced today using improved materials and components.

CSX4000/CSX6000

Shelby Cobra 427 S/C or Street:

Body

- Shelby hand laid fiberglass
- Shelby hand formed aluminum

Chassis and Suspension

- 4-inch diameter DOM steel frame
- dual A-arm, coil-over shock, four wheel independent suspension
- 1" x 11-7/16" OD disc, dual piston Shelby caliper, standard front brakes
- 3/4" x 11-7/16" OD disc, dual piston Shelby caliper, standard rear brakes

Interior / Exterior

- Shelby vinyl, leather optional seats
- Shelby custom black carpeting
- Headers and side pipe exhaust
- 15" Trigo reproduction standard wheels (tire sizes specified by customer)

CSX7000

Shelby Cobra 289 FIA:

Body

- Shelby hand laid fiberglass
- Shelby hand formed aluminum

Chassis and Suspension

- 3-inch diameter DOM steel frame
- Upper traverse leaf w/lower arms, independent front and rear suspension
- 1" x 11-7/16" OD disc, dual piston Shelby caliper, standard front brakes
- 3/4" x 11-7/16" OD disc, dual piston Shelby caliper, standard rear brakes

Interior / Exterior

- Shelby vinyl, leather optional seats
- Shelby custom black carpeting
- side exit in front of rear wheel exhaust
- 15" Alloy standard wheels (tire sizes specified by customer)

CSX8000

Shelby Cobra 289 Street:

Body

- Shelby hand laid fiberglass
- Shelby hand formed aluminum

Chassis and Suspension

- 3-inch diameter DOM steel frame
- Upper traverse leaf w/lower arms, independent front and rear suspension
- 1" x 11-7/16" OD disc, dual piston Shelby caliper, standard front brakes
- 3/4" x 11-7/16" OD disc, dual piston Shelby caliper, standard rear brakes

Interior / Exterior

- Shelby vinyl, leather optional seats
- Shelby custom black carpeting
- header only exhaust
- 15" 72 hard-spoke wire wheels (tire sizes specified by customer)
