TATA MOTORS

Business
class travel.
Now with
power dressing.

Presenting the stylish
new Tata Indigo.

TATA
Indigo
Spoil yourself

Accessories shown in the pictures and features mentioned in the text may not be a part of the standard equipment. The contents are not binding and are subject to change without notice. These are indicative specifications for reference only. Colours may not match the actual colours due to printing limitations. You can avail of the 18+18 Month Warranty option. * The GSX and SX models come with four alloy wheels and one steel rim. ** Sequin Red colour available only with the Indigo SX and GSX models.

DRESSED IN STYLE

Make a powerful style statement on the roads with the new Tata Indigo. The dual beam clear lens headlamps, large top-down tail lamps and ORVMs blend elegance with efficiency, while the premium chrome garnish, sill valance covers and the new front and rear fascia provide a sleek look to the exterior. The spacious interiors come in a soft beige colour scheme. Completing the look is the new sporty steering wheel and the multi-function console with a cubic print pattern.

DRESSED FOR COMFORT

The stylish new Indigo offers all the comforts of business class travel. The indulgence begins with an independent 3-link rear suspension that helps you glide on the roughest of roads. A peek inside and you'll find that its anti-submarine seats ensure both comfort and safety. While the trendy leather-wrapped steering wheel and gear shift knob add to the driving pleasure. Further, the high quality cabin insulation minimises NVH, maximising your comfort. Sit back and enjoy, as the new Tata Indigo redefines comfort from the word go.

DRESSED FOR SAFETY

Ensuring your complete peace of mind is the one thing that is of utmost importance. The stylish new Indigo comes with new front and rear bumpers for better pedestrian safety, while the fog lamps help you weather any storm. Moreover, the car has been tested at Tata Motors', and India's, first and only crash test facility. Furthermore, the Tata Indigo meets European full frontal, offset partial and rear crash impact safety norms.

DRESSED FOR LUXURY

You can further upgrade your luxury quotient, with the Indigo SX and GSX. The soft leather seats, analog clock, individual LCD screens, built-in video player and MP3 music system, and a rear centre armrest add a new dimension to travel. Driving pleasure too is enhanced with electrically operated ORVMs, a height-adjustable driver's seat and classy alloy wheels.

DRESSED FOR PERFORMANCE

With the new Tata Indigo every drive is an experience to cherish. Two environment-friendly engines are built to perform. There is the 1396 cc, 85 PS Petrol engine, with improved driveability, emissions, and NVH. You could also opt for the 70 PS Turbo Charged Intercooled Diesel engine, which delivers amazing fuel-efficiency, without any compromise in power.

All in all, the stylish new Tata Indigo is business class travel with power dressing in its truest sense.
